Mr. W. Lane Lanford
Executive Director
Public Utility Commission of Texas
P.O. Box 13326
Austin, Texas 78711

OR2002-0244

Dear Mr. Lanford:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 157403.

The Public Utility Commission (the "commission") received a request for a memorandum concerning a certified question that was ruled on by the commission at an open meeting of the commission on October 3, 2001. You claim that the submitted information is excepted from disclosure pursuant to sections 552.103, 552.107, and 552.111 of the Government Code. We have considered the exceptions you claim and have reviewed the submitted information. We have also considered comments submitted by the Office of the Attorney General. *See* Gov't Code § 552.304 (providing that interested party may submit comments stating why information should or should not be released).

Section 552.111 of the Government Code excepts from disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." In Open Records Decision No. 615 (1993), this office reexamined the predecessor to the section 552.111 exception in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.--Austin 1992, no writ), and held that section 552.111 excepts only those internal communications consisting of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 364 (Tex. 2000); *see also Arlington Indep. Sch. Dist. v. Texas Attorney Gen.*, No. 03-00-00219-CV, 2001 WL 23169, at * 5 (Tex. App.--Jan. 11, 2001, no pet. h.). The

purpose of section 552.111 is "to protect from public disclosure advice and opinions on policy matters and to encourage frank and open discussion within the agency in connection with its decision-making processes." *Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.--San Antonio 1982, writ ref'd n.r.e.).

You contend that the submitted information constitutes an internal agency communication that reflects the recommendations of agency staff concerning issues of a policymaking nature. Based on our review of your arguments and the submitted information, we agree that the information constitutes communications among agency staff that consist of advice, opinions, and recommendations reflecting the policymaking processes of the commission. Accordingly, we conclude that the commission may withhold the submitted information from disclosure pursuant to section 552.111 of the Government Code. Because we base our ruling on section 552.111, we need not consider the commission's other claims regarding sections 552.103 and 552.107 of the Government Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at 877/673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.--Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at 512/475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Ronald J. Bounds
